Franklin, February 21, 1881.

REPORT OF THE DIRECTORS OF THE FRANKLIN LIBRARY ASSOCIATION.

In reference to the management and patronage of the Library, little can be added to what has been said in former years.

From the report of the Librarian it appears that the number of persons drawing books from the Library during the past year was 813, and that the number of volumes drawn was 15,906. The number of books and pamphlets added to the Library during the year was 177, making the number of volumes now in the Library available for circulation 2,740.

From the report of the Treasurer to the Association are taken the following items relating to the appropriation made by the town for defraying the expenses of the Library during the year :

Balance on hand at beginning of the year,	\$71 79
Received from the town, dog money,	238 32
“ “ Librarian for fines and catalogues.	48 30
	<hr/>
Total,	\$358 41
Expenses of the Library during the year.	326 56
	<hr/>
Balance in the treasury, Feb. 8, 1881.	\$31 85

From the foregoing statement it appears that the amount received from the town the past year fell short of the expenses of the Library by the sum of \$88,24.

It is the purpose of the Association to furnish the inhabitants of the town with all the reading matter at its command; and, in return it requires only that the town shall appropriate, from year to year, sufficient funds to defray the ordinary expenses of the Library, and that the patrons of the library shall comply with the rules and regulations of the Association.

The interests of all concerned are identical, and by a cordial co-operation the wishes of the founder of the Dean Fund will be carried out to their fullest extent.

It is to be regretted that the town at its last annual meeting did not appropriate the amount asked for by the Association, inasmuch as its failure to do so would have seriously embarrassed the managers of the Library, had not the Town Treasurer kindly consented to advance money to the Association before the fund arising from the licensing of dogs in town became available.

In view of the fact that the money arising from the licensing of dogs in town does not become available until within a few days of the end of the Library year, it is respectfully submitted whether it would not be better for the town to appropriate a definite amount each year, instead of the usual practice of appropriating a sum in addition to the money arising from the licensing of dogs.

If the town should see fit to adopt the foregoing suggestion, the Directors would respectfully ask that the sum of \$400.00 be appropriated for defraying the expenses of the Library for the current year.

By order of the Directors,

GEORGE W. WIGGIN, *Clerk.*

Franklin, February 8, 1881.

REPORT OF THE COMMITTEE ON CISTERNS.

At a town meeting in November, 1879, a Committee was chosen to secure the building of two cisterns, to be located by the Selectmen—one near the Catholic, and the other near the Congregational church. Previous to the annual meeting in March, 1881, expenditures were made under the immediate supervision of Mr. S. C. Taft, one of the members of the Committee, and can be found accounted for in the last Auditor's Report.

At the last annual meeting the same Committee was re-chosen to complete the work assigned them at the previous November meeting, and a grant of five hundred dollars was voted for the purpose.

The cistern near the Congregational church has been finished at an expense of \$235.00, and has a capacity of twenty-five thousand gallons. It is at this time nearly full of water, and, as it has withstood the test of a very severe winter, we confidently believe it will prove a substantial structure, some predictions to the contrary notwithstanding.

The cistern at the lower end of the common cost \$140.00, and is full of water. This was constructed by coatings of cement on the native earth, and covered by a double brick arch. This is believed by your Committee to be a substantial and economical method of construction, where the nature of the earth will admit it. It has a capacity of about thirteen thousand gallons.

After deducting expenses as above reported, there is found to be a balance of \$125.00 of the \$500.00 grant.

Respectfully submitted for the Committee,

GEORGE KING.

Franklin, February 1, 1881.

REPORT OF THE CHIEF ENGINEER OF THE FIRE DEPARTMENT.

The Board of Engineers met May 1, 1880, and organized by choice of S. C. Taft, Chief Engineer, and Wm. Rockwood, Clerk. Whole number of fire alarms during the year, 5. Number of fires, 7, as follows, viz. :

March 3.—E. Waite's tenement house on Union street, loss on house,	\$400 00
Loss on furniture,	100 00
Cause, sparks from smoke stack.	
March 6.—R. B. Stewart's wheelwright shop, house and barn on East street. Loss, total.	
Loss on shop, stock and machinery,	\$2,000 00
" House and barn,	1,800 00
F. P. Guigon's shop damaged.	200 00
James McParland's loss on stock and tools,	75 00
Hutchinson's " " "	100 00
Chas. P. Haggerty, " " "	60 00
Wm. S. Warren, " " "	150 00
	<hr/>
Total loss at this fire,	\$4,385 00
Insurance on R. B. Stewart's property,	1,850 00
" " All others,	625 00
Cause, supposed to be incendiary.	
March 15.—Dwelling house of A. T. Crossley on Lincoln street. Loss,	\$800 00
Insured for	600 00
Furniture valued at \$900.00 ; insurance,	300 00
Cause, overheated stove.	
April 13.—J. F. & L. P. Ray's mill ; boiler room damaged by fire and water, \$50.00 ; covered by insurance. Cause, bursting of blow-off pipe.	
May 1.—E. Waite's barn on Central street, from sparks from chimney. Damage slight, \$5.00.	
Aug. 26.—L. W. Hutchinson's house on Chestnut street. Loss, \$650.00 ; insured, \$500.00. Cause, incendiary and no alarm given.	

Jan. 19, 1881.—Wm. S. White's barn and portion of L to house on Lincoln street. Loss, \$700.00; insured. Cause, smoking hams in wood house.

The fire apparatus is in good working order, each carriage being well manned. The Board of Engineers found that No. 2 engine at Unionville was unfit for service, having been patched up for 35 years, and it was voted that Ray and Spear contract with Hunneman & Co. to remodel it, if it could be done at a fair price. The contract was made in writing, each part specified. When the engine was taken apart, Hunneman found other parts, not specified in the contract, badly damaged, and a much larger expense was incurred in order to warrant the machine first class when delivered.

With all this extra outlay the department has been expensive the past year. There is an ample supply of hose on hand and in fair condition, excepting that used by Co. No. 1. As this company has no conveniences for draining or drying their hose, there should be an engine house built for it, and one of the carriages taken from the Emmons Street Engine House, said house being unfit for three machines.

Respectfully submitted,

S. C. TAFT, *Chief Engineer.*

TOWN WARRANT.

To either Constable of the Town of Franklin,

GREETING :

You are hereby required in the name of the Commonwealth of Massachusetts, to notify and warn the qualified voters of the Town of Franklin, to assemble in their Town Hall, on Monday, the seventh day of March next, at 9 o'clock in the forenoon, then and there to act on the following articles, viz :

Art. 1. To choose a Moderator for said meeting.

Art. 2. To hear a report of a settlement with the Treasurer, and act thereon.

Art. 3. To hear a report of the settlement with the Collector of taxes, and act thereon.

Art. 4. To see if the Town will abate any tax in the hands of either Collector, or do anything relating thereto.

Art. 5. To choose all necessary Town Officers for the year ensuing.

Art. 6. To see what sums of money the Town will raise the ensuing year, for the support of schools, the repair of schoolhouses, and the miscellaneous expenses connected therewith, for the support of the poor, for the repair of roads, bridges and sidewalks, for abatement and collection of taxes, for the payment of interest, for the payment of Town Officers, for printing and stationery, for the support of the fire department, for defraying expenses of the Franklin Library Association, for the building of reservoirs, for miscellaneous Town expenses, and grant the necessary sums of money therefor.

Art. 7. To see in what way and manner the Town will collect their taxes the year ensuing, or do anything relating thereto.

Art. 8. To see in what way and manner the Town will repair the roads, bridges and sidewalks the year ensuing, or do anything relating thereto.

Art. 9. To hear a report of the engineers of the fire department, and see what compensation the Town will pay their engineers and members of fire companies the ensuing year.

Art. 10. To see what action the Town will take in relation to a pound.

Art. 11. To hear a report from the Selectmen concerning guide boards.

Art. 12. To see if the Town will grant the use of the Town Hall to the Division of the Sons of Temperance the year ensuing.

Art. 13. To vote the names of a suitable number of persons into the jury box.

Art. 14. To see if the Town will restrain neat cattle, horses, mules and swine from running at large the year ensuing.

Art. 15. To see what the Town will do about lighting the streets the year ensuing.

Art. 16. To hear a report from the Committee on the improvement of the Common, and act thereon.

Art. 17. To hear a report from the Committee on the building of cisterns, and act thereon.

Art. 18. To see if the Town will vote to build a cistern for the use of the fire department, on or near Cottage street; also one on Central, west of Union street, and grant a necessary sum of money to pay the expense thereof, or act, or do anything relating to the building of cisterns which the Town may think proper.

Art. 19. To see if the Town will vote to consolidate the schools formerly known as school districts Nos. 2 and 10, or so arrange as to embody Nos. 2, 9 and 10 in two instead of three schools, or do any other act or business in relation thereto.

Art. 20. To see if the Town will vote to erect additional streets lamps, or do anything relating thereto.

Art. 21. To see if the Town will grant the free use of the Town Hall to the Veteran Association, with the right to use said hall once each month for the purpose of holding meetings.

Art. 22. To see if the Town will accept of the layings out of Garfield street by the Selectmen, as petitioned for by Albert E. Daniels and others.

Art. 23. To see if the Town will vote to exempt from taxation the real and personal estate of the Franklin Beet Sugar Company, as provided in Chapter 327 of the acts of 1872.

Art. 24. To see what sum of money the Town will grant to defray expenses of widening Chestnut street, as petitioned for by Lewis H. Marsh and others.

Art. 25. To see if the Town will accept of the layings out by the Selectmen, Wachusett, Arlington and North Park streets (so called), and Church avenue (so called), as Town ways, as petitioned for by A. H. Morse and others.

Art. 26. To see what compensation the Town will grant to the members of Reserve Fire Co., No. 5, of West Medway, for their prompt, efficient and valuable services at the fire of Enoch Waite's mill, in the fall of 1879, or what action the Town will take in relation thereto.

Art. 27. To see if the Town will vote to sell its shares in the capital stock of the Rhode Island & Massachusetts Railroad Company,

or act or do anything in relation to the sale and transfer thereof, and investing the proceeds therefrom.

Art. 28. To see if the Town will vote to choose a Committee whose duty shall be to take into consideration a water supply for the use of the Town, and report their doings at a future Town meeting.

Art. 29. To see if the Town will vote to prohibit the putting of ashes in the traveled road-bed, under penalty.

Art. 30. To see if the Town will vote to remove the ledge in the highway opposite the residence of Chas. B. Corson, and straighten the road to the corner by King street, as now laid out.

Art. 31. To see if the Town will vote to offer a premium of one hundred dollars, payable to the person, resident in Franklin, who shall raise the largest number of tons per acre of sugar beets, and deliver the same, to the Franklin Beet Sugar Mill in the fall of 1881. Seventy-five dollars for the second largest number, fifty dollars for the third largest number and twenty-five dollars for the fourth largest number of tons per acre of sugar beets, raised and delivered as aforesaid; said beets to be grown within the limits of the Town of Franklin.

Art. 32. To see what action the Town will take in relation to enlarging the Town Cemetery, or providing increased room for burial purposes, or do anything in relation thereto.

Art. 33. To see what action the Town will take in relation to names of streets and street signs, or act or do anything in relation thereto.

Art. 34. To see if the Town will vote to establish a sinking fund for the payment of its bonded debt, and elect a board of Commissioners for the same.

Art. 35. To see if the Town will grant and appropriate money for the conveyance of pupils to and from the public schools.

Art. 36. To see if the Town will vote to increase the number of School Committee, and elect said additional numbers.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said time.

Given under our hands this twenty-first day of February, A. D. 1881.
